

Asian Modular Hobs'

	MODULAR	
	2 BURNER	1 BURNER
	PMCF-2G	PMCF-W

GENERAL FEATURES

Vitreoceramic surface			
Tempered glass cover	•	•	
Number of hobs	Radiant vitroceramic		
	Gas	2	1
	Rapid electric rings (red spot)		
Triple Crown Burner		•	
Energy regulator			
Battery ignition	•	•	
Independent cast iron pan guards	•	•	
Double cast iron pan guards			
Independent enamelled pan guards			
Double enamelled pan guards			
Module joining strip kit (optional)			
Electric power cord (Length 100 cm)			

OPERATING CONTROL

Gas controls		
Electric controls (0-6 positions)	2	1
Electric controls (0-9 positions)		
Electric controls (0-12 positions)		
Electric hot-plate ON pilot light		

SAFETY

Safety system (thermocouple)	•	•
Residual heat pilot lights		
Safety thermostat		
Oil temperature thermostat		
Safety lock		

TECHNICAL SPECIFICATIONS

Power and dimensions of the hobs (kW/mm)	Front right	1.75	3.5
	Front left		
	Right rear	1	
	Left rear		
	Centre		
Total gas power (kW)		2.75	3.5
Total electrical power (kW)			
Voltage / Frequency (V/Hz) 220-240 / 50		Battery DC 1.5V	

DIMENSIONS

Dimensions (mm)	Width	510	510
	Depth	350	350
	Height	40	40
