FAGOR 

8kg Washing Machines

F-4812

8kg

- Variable spin-cycle speed up to 1200 r.p.m
- Selection key intensive, extra rinse, easy ironing and delay wash
- LCD Visualisation Screen
- Digital indicator timing / countdown setting
- Cold wash in 50 minutes
- Quick wash in 15 minutes
- Turbo-Time Plus
- Delayed programming : 24 (hrs)
- Advanced Balanced System (ABS)
- Anti-crease
- Instant loading door opening 180°
- 34 cm hatch door

Consumption Rates :

- Energy Efficiency Class : A
- Washing Performance Class : A
- Spin Drying Performance Class : B
- Electricity : 1.36 (Kwh)
- Water Consumption : 59 (L)

Dimensions (mm) :
850H X 590W X 590D

F-2812

8kg

- Variable spin-cycle speed up to 1200 r.p.m
- Selection key intensive, extra rinse, easy ironing and delay wash
- LCD Visualisation Screen
- Digital indicator timing / countdown setting
- Cold wash in 50 minutes
- Quick wash in 15 minutes
- Turbo-Time Plus
- Delayed programming : 24 (hrs)
- Advanced Balanced System (ABS)
- Anti-crease
- 34 cm hatch door

Consumption Rates :

- Energy Efficiency Class : A
- Washing Performance Class : A
- Spin Drying Performance Class : B
- Electricity : 1.36 (Kwh)
- Water Consumption : 59 (L)

Dimensions (mm) :
850H X 590W X 590D

F-2810 F-2810X

8kg

- Variable spin-cycle speed up to 1000 r.p.m
- Selection key intensive, extra rinse, easy ironing and delay wash
- LCD Visualisation Screen
- Digital indicator timing / countdown setting
- Cold wash in 50 minutes
- Quick wash in 15 minutes
- Turbo-Time Plus
- Delayed programming : 24 (hrs)
- Advanced Balanced System (ABS)
- Anti-crease
- 34 cm hatch door

Consumption Rates :

- Energy Efficiency Class : A
- Washing Performance Class : A
- Spin Drying Performance Class : C
- Electricity : 1.36 (Kwh)
- Water Consumption : 59 (L)

Dimensions (mm) :
850H X 590W X 590D

1F-1810

8kg

- Variable spin-cycle speed up to 1000 r.p.m
- Selection key intensive, easy ironing and delay wash
- LED indicators of : wash process, rinse and spin speed selection
- Cold wash in 50 minutes
- Quick wash in 15 minutes
- Delayed programming : 9 (hrs)
- Advanced Balanced System (ABS)
- 34 cm hatch door

Consumption Rates :

- Energy Efficiency Class : A
- Washing Performance Class : A
- Spin Drying Performance Class : C
- Electricity : 1.36 (Kwh)
- Water Consumption : 59 (L)

Dimensions (mm) :
850H X 590W X 590D

Washing Machines

FE-2712

7kg

- Variable spin-cycle speed up to 1200 r.p.m
- Selection key intensive, extra rinse, easy ironing and delay wash
- LCD Visualisation Screen
- Digital indicator timing / countdown setting
- Cold wash in 50 minutes
- Quick wash in 15 minutes
- Delayed programming : 24 (hrs)
- Advanced Balanced System (ABS)
- 34 cm hatch door

Consumption Rates :

- Energy Efficiency Class : A
- Washing Performance Class : A
- Spin Drying Performance Class : B
- Electricity : 1.19 (Kwh)
- Water Consumption : 59 (L)

Dimensions (mm) :
850H X 590W X 590D

FE-1710

7kg

- Variable spin-cycle speed up to 1000 r.p.m
- Selection key intensive, easy ironing and delay wash
- LED indicators of : wash process, rinse and spin speed selection
- Cold wash in 50 minutes
- Quick wash in 15 minutes
- Delayed programming : 9 (hrs)
- Advanced Balanced System (ABS)
- 34 cm hatch door

Consumption Rates :

- Energy Efficiency Class : A
- Washing Performance Class : A
- Spin Drying Performance Class : C
- Electricity : 1.19 (Kwh)
- Water Consumption : 59 (L)

Dimensions (mm) :
850H X 590W X 590D

3F-2610

6kg

- Variable spin-cycle speed up to 1000 r.p.m
- Selection key intensive, easy ironing and delay wash
- LCD Visualisation Screen
- Cold wash in 1 hour
- Quick wash in 30 minutes
- Delayed programming : 24 (hrs)
- Advanced Balanced System (ABS)
- Anti-crease
- 34 cm hatch door

Consumption Rates :

- Energy Efficiency Class : A
- Washing Performance Class : A
- Spin Drying Performance Class : C
- Electricity : 1.02 (Kwh)
- Water Consumption : 49 (L)

Dimensions (mm) :
850H X 590W X 590D

Washer Dryer

FS-3612

6kg

- Spin-cycle speed up to 1200 r.p.m
- LCD Visualisation Screen
- Cold wash in 1 hour
- Delayed programming : 24 (hrs)
- Functions : intense wash, extra rinse and easy iron
- 32 cm hatch door

Consumption Rates :

- Washing Capacity : 6kg
- Drying Capacity Class : 3kg
- Energy Efficiency Class : B
- Washing Performance Class : A
- Spin Drying Performance Class : C
- Water Consumption : 49 (L)
- Power Consumption
Washing + Drying : 4.85 (Kwh)
- Water Consumption
Washing + Drying : 105 (L)

Dimensions (mm) :
850H X 590W X 590D

1SF-84CE

B ENERGY

Condensation

- Reversing system
- Stainless steel drum
- Large door with 180° opening
- Electronic humidity sensor
- LCD Visualisation Screen
- Drying time selector
- Interior drum light
- Delayed programming : 24 (hrs)
- Special function : end of programme beep warning
- Indicators: Anti-crease and clean filter warning

Consumption Rates :

- Energy Efficiency Class : B
- Total heat output : 2400W

Dimensions (mm) :

850H X 600W X 600D

1SF-84E

8kg

C ENERGY

Evacuation

- Reversing system
- Stainless steel drum
- Large door with 180° opening
- LCD Visualisation Screen
- Drying time selector
- Delayed programming : 24 (hrs)
- Special function : end of programme beep warning
- Indicators: Anti-crease and clean filter warning

Consumption Rates :

- Energy Efficiency Class : C
- Total heat output : 2400W

Dimensions (mm) :

850H X 600W X 600D

1SF-70CB

7kg

B ENERGY

Condensation

- Reversing system
- Stainless steel drum
- Large door with 180° opening
- Drying time selector
- Delayed programming : 9 (hrs)
- Anti-crease function

Consumption Rates :

- Energy Efficiency Class : B
- Total heat output : 2250W

Dimensions (mm) :

850H X 600W X 600D

SFE-60T

6kg

C ENERGY

Evacuation

- Reversing system
- Galvanized steel drum
- Large door with 180° opening
- Drying time selector

Consumption Rates :

- Energy Efficiency Class : C
- Total heat output : 2200W

Dimensions (mm) :

850H X 595W X 590D

Fagor bringing you European technology at its best.

There are so many reasons to choose a Fagor Washing Machine or Dryer. Fully imported from Spain, Fagor combines intelligent design with smart, boundary-breaking features to transform washing from a mundane task, into a sophisticated pleasure.

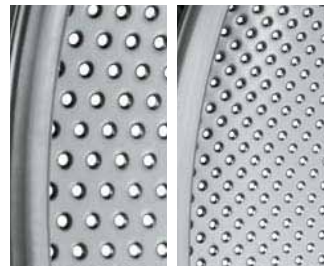

~ variable consumption

the washing machine helps you to save energy.

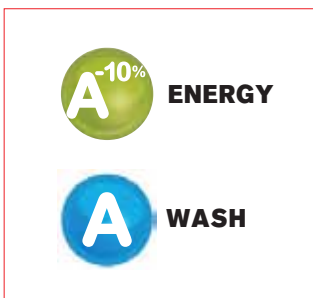

The perfect size and height.

Our large 34cm hatch makes loading and unloading bulky items, like duvets and blankets, so much easier. Its location 73cm from the floor also means it's exactly the right height for most people to easily access the hatch without straining.

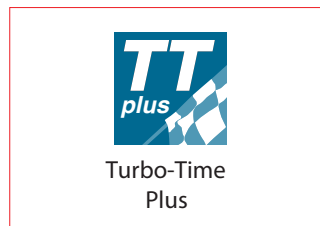

Drum technology that works for you.

Our Stainless Steel micro-pierced drums are incredibly gentle with clothes and special fabrics, while the innovative tilted drum design provides more rotations in every direction for faster, more effective washing.

Washing machines that care for the environment.

Fagor washing machines come with the lowest water consumption in the market. Because our washing machines are fully-electronic, this also translates into maximum energy efficiency and savings. That's why Fagor washing machines are certified as Energy Efficient Class A products according to the strictest European standards, making them as gentle on the environment as they are on your clothes.

So fast, yet so clean.

With the Turbo-Time Plus feature, Fagor washing machines aren't just the fastest in the market, with speeds of up to 57% faster than competing brands, they're also among the effective.

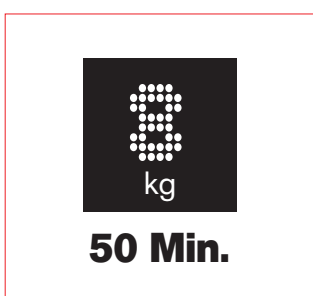

More stability, more balance, more effective washing.

Our Advanced Stable Drive technology automatically distributes your load evenly inside the drum so there are no unnecessary vibrations or noise.

~ speed, safety and flexibility

8kg in only 50 minutes.

Faster washing time.

Fagor washing machines help you save time and energy with a variety of pre-set washing programmes. For big loads without the usual tough stains and stubborn dirt, use our Quick Wash programme, the only one in the market that lets you clean an 8kg load of laundry in just 50 minutes! We've also built in other time saving programmes based on your needs.

Meeting every washing need, whatever they may be.

Fagor washing machines come with a variety of programmes and functions to make your life easier, and cleaner.

Our anti-crease programme cleans your clothes, but leaves them completely wrinkle free!

Our No Spin function cleans your valuable but fragile clothes, minus spin drying.

Don't like ironing? Use the Easy Iron function to make things smoother, and less time consuming.

Some clothes need better treatment than others. Try out the Extra Rinse programme to ensure they are properly maintained.

Or use the Intensive Wash programme to eliminate those hard-to-remove stains.

Double the warranty period.

Fagor has full confidence in its products, but also understands that peace of mind is important for our customers. That's why our washing machines come with a two-year warranty period (spare-part only). It's just our way of showing we go beyond expectations to care for your needs.

Thoughtful additions for even more value.

Your Fagor experience doesn't end when you purchase our washing machines. In fact, for the purchase of any Fagor washing machine that's just the beginning of what we have offer. Our technicians will personally provide a FREE first-time washing machine check and demonstration at your premises along with a box of high-quality powdered detergent to start you off (while stock last).

If you would like to find out more about our products, or if you have any enquiries, please do not hesitate to call our

iCare at 1300-88-5188
